

**It is a fact, that the internet is an essential tool in our everyday lives. But are we safe while using it?**

HUM@NET  
 Students' Virtual Meeting in Latvia  
 13.11.2021  
 Team Hungary  
 Anna Farkas

Today, I am going to talk about things we should look out for, and how to avoid this not so pleasant side of our biggest platform of entertainment

## The dangers of the internet
